PURCHASING YOUR FRONT SUSPENSION KIT

The Hoyle Engineering front suspension coil-over suspension kit for the MGB models can be purchased direct from MGO (UK) under part number H003. Contact 011-44-1954-234-043.

Suspension kit H003 will contain all the necessary mounting hardware. However, we have expanded and upgraded this hardware kit with our own mounting kit. This upgraded kit COFSUHK/B has been thoroughly thought out, and is designed to supplement part number H003 with quality components.

Included in this upgraded hardware kit is a template for use when modifying the front cross member assembly.
